We won't leave you feeling flat

Not just a car park,
more like a care park

Many Travel South Yorkshire Park & Ride sites operate a **FREE car care scheme. So now you have even more reasons to avoid the traffic jams.**

The reason you choose to Park & Ride is because you realise it gives you the best of both worlds. Well, now Park & Ride is even better, thanks to Travel South Yorkshire's Car Care Scheme. It's free, and it's available to anyone who registers.

Your car is important. It helps get you where you want to go. But sometimes things go wrong, and when they do, you can rest assured that someone is on hand to help sort it out.

If there is a problem - say there's a flat tyre, or you've left a window open and the alarm has gone off, or you've forgotten to switch off your lights - a Customer Service Officer will contact you to let you know in advance.

In addition, if you experience any difficulties when you return to the car, a Customer Service Officer will help sort it out. Flat batteries, mechanical breakdowns and all the other snags that call for specialist attention can be reported to the organisation of your choice, quickly and without fuss.

In short, the Car Care Scheme will quickly get you on the move again if you have a problem.

There's more. If you have any special requirements, let us know when you register. Maybe your mobility is limited and you need assistance getting into and out of your car. Or you might have an early start which means getting away before we open for business. We can also arrange for you to buy your travel tickets in advance.

Facilities available are

- Travel South Yorkshire Customer Service Officer's are available between **0700 and 1900** (and longer at some sites), Mondays to Saturdays to offer assistance and keep a watchful eye open.
- fully accessible for wheelchair users, with ample parking for the disabled.
- staff qualified to administer first aid.
- kept totally free of litter and graffiti.
- free parking for cyclists with valid travel tickets.
- complete CCTV coverage with video recording.
- a member of staff is available at all other times by calling **Sheffield Interchange on 0114 221 1524.**
