Why Park & Ride?

Park & Ride is the best of both worlds:

- allowing those who need to use a car the chance to leave it at an Interchange location and link to public transport
- avoiding the stresses and strains of fighting urban traffic congestion
- helping to sustain the environment by using public transport and reducing carbon emissions.

Parking at a Park & Ride site:

- is cost effective - comparing favourably with the cost of parking within towns and city centres
- has direct links with bus, train or tram facilities.

Do you work at or near the Royal Hallamshire Hospital or the University of Sheffield?

Then why not park your car at the free Park & Ride site at Tesco, Abbeydale and catch the 505 Park & Ride bus service to work?

The Park & Ride site is open Monday to Friday from 0600-1900 and has a 200 spaces available.

Service 505 is operated by TM Travel. Please refer to the timetable overleaf for more information.

Service 85 operated by First, also runs from this site and runs via Hunters Bar and Ecclesall Road to the city centre.

Service 85 complements the 505 service from the Park & Ride site itself. Services 97 and 98 also operated by First are also available from nearby.

How much does it cost?

The Park & Ride site is free to use. Purchase 505 tickets from the bus driver at the following prices:

- FREE** parking
- £2.70** return per day for car and driver
- £9.00** for five days for car and driver
- £10.00** for five days flexible use for car and driver

Accompanying passengers will pay the same fares as stated above.

Please note - Tickets bought on board the service 505 cannot be used on First service 85, 97 or 98 and vice versa. All concessionary pass holders can travel as usual on all services.
