How to use the tram replacement bus

The BP1 bus service will stop near to affected tram stops between Herdings Park and Sheffield city centre. A map of the bus route and stop locations, and list of bus stops, is available in this PDF.

This service is limited-stop, meaning that it will only stop at specific bus stops on the route.

More information, including individual location maps for every tram and bus stop, is available online at: travelsouthyorkshire.com/BP1

BP1 bus stops will be clearly marked with this icon.

Once you reach the bus stop, keep an eye out for the bus approaching. It will have 'BP1' shown on the front display, along with the final destination for the direction of travel.

When you see the bus approaching, hold out your arm to signal to the bus driver to stop. Allow plenty of time for them to stop safely, and keep a safe distance away from the side of the road.

All buses are wheelchair accessible, and the bus driver will be happy to help if you require assistance.

Any valid tram ticket can be used for travel on the BP1 tram replacement bus service. Purchase tickets using the TSY Mobile app or from a conductor on your connecting tram service.

Tickets are unable to be purchased from the bus driver.

The majority of the tram network will be in operation. Leave the bus at Gleadless Townend to connect to tram services towards Halfway, or at Fitzalan Square to connect to all other tram routes. Buses and trams have been timed to allow quick and easy interchange.

When on the bus, press the Stop button to request that the driver stops at the next bus stop.
